

FILM & MEDIA

Dumas offers the sun, space, assistance, and partnerships to help productions.

Production of the film *Creep*, starring Judd Nelson, Lymari Nadal, Charles Baker and Steven Quezada.

SUN

Located in the nation's sun belt, Dumas enjoys approximately 300 days of sunshine a year. Its extended summers, clear skies, and western flair make it an ideal location for film & media productions. We have a catalog of photos available upon request.

SPACE

With ample available land surrounding Dumas, production companies have the space needed for expansive film production shots, incredible advertising sets and the space you need without interruptions. We understand the logistics required to secure locations, and we provide the assistance.

ASSISTANCE

Having provided incentives, securing investments, logistics, site location services, securing props and equipment for no or low costs, the Dumas EDC Film & Media Assistance Program is available to insure your production is a success.

PARTNERSHIPS

The Dumas EDC has partnered with Aspen Productions in the creation of their global Toyota Ad Campaign, Circus Wheel Productions in the filming of their award nominated film *Creep*, and Ascension Media in the fundraising for the family film *Southern Christmas*. These experiences have built a foundation of understanding and knowledge in what it takes to help production teams do what they do best...create art.
